TUITION FEES AND SCHOLARSHIPS

TUITION FEES

- free study for students admitted on the basis of the 1st round of the admission process
- for students accepted on the basis of the 2nd round and subsequent rounds of the admission process, the standard tuition fee is EUR 3,999 per year
- it is possible to apply for a scholarship from the university social programme to cover tuition fees

SCHOLARSHIPS

- high scholarship for all students in the amount of 2,760 EUR in the bachelor's degree, 6,720 EUR in the follow-up master's degree and 32,400 EUR in the doctoral degree
- other merit and scientific scholarships may also be awarded

COMPETENCES FOR MASTER'S DEGREE PROGRAMME (CMD)

- we offer a unique programme that systematically prepares students of bachelor's degree programmes for master's degrees at prestigious universities in the UK, USA and other countries where they can continue their studies
- it is designed for talented and especially motivated students from the European Union and other countries who want to obtain a quality foreign education and the associated job security in prestigious positions
- students are encouraged to volunteer and participate in extracurricular activities, as participation in these activities is often required by foreign universities during the admission process
- students meet successful graduates from foreign universities such as the University of Oxford, the University of Cambridge, the University of London or Harvard University
- the programme also includes visits to these prestigious schools and meetings with their students or teachers
